ABOUT MYSELF

I am a Front-end developer with 4 years of experience. Interested in the entire Front-end spectrum and working on ambitious projects with positive people. Able to effectively self-manage during independent projects, as well as collaborate as part of a productive team.

EXPERIENCE

UDS Systems, Ukraine, Kiev - (02/08/2021 - present)
Front end (React) developer

As a react developer in UDS Systems company, we develop different solutions for MS Dynamics. Until today I had created 4 tools from start to end and I gave support to the 2 different tools.

Pragmatech, Azerbaijan, Baku - (05/06/2019 - 04/01/2020)
Frontend developer

Here I have mainly developed e-commerce projects and made support for available apps. And also teach students how to become a front-end developer.

Freelance , Azerbaijan, Baku - (20/11/2018 - 12/02/2019)
Frontend developer

When I worked freelance in Baku I made different websites for different costumers.

EDUCATION

2016
Computer engineering

Azerbaijan State Oil and Industry University. Computer engineering

2020
High energy and plasma physics

Istanbul University. Department of Physics Faculty of High Energy and Plasma Physics
